It is with great sadness that I share with you the following message from the Filippone Family:

RE – Ella Filippone Memorial Service

To all our friends,

On the morning of June 21, 2013 at 4:45AM, Ella Filippone passed away peacefully at Morristown Memorial Hospital. Her family had been by her side giving her comfort and support over her final days.

For 43 years she has worked tirelessly in protecting the Passaic River Watershed to improve the water supply and environment of northern New Jersey. As part of her legacy, over 1500 acres have been protected in perpetuity for future generations to enjoy.

We invite you to celebrate her life and accomplishments on Saturday July 13, 2013. As per her wishes, a Memorial Service will take place at Willow Hall, the headquarters of the Passaic River Coalition, at 330 Speedwell Avenue, Morristown, NJ 07960 from 12pm to 4pm.

In lieu of flowers or other gifts we kindly ask that you honor her memory by making a contribution to the Passaic River Coalition, so that her work of protecting the watershed of central and northern New Jersey can continue.

As we expect a large turnout, kindly arrange carpooling if at all possible. We also ask that you please RSVP via e-mail to zmoylen@passaicriver.org or by mail at 330 Speedwell Avenue, Morristown, NJ 07960. We would like to thank all the people that have lent their support throughout the years, in protecting the environment and in sending their condolences to our family. We look forward to sharing our memories with you on July 13.
